## PRESS RELEASE

### Two Years Later, Robb Elementary School: Memorial Statement

Today, we solemnly remember the lives tragically taken at Robb Elementary School in Uvalde, Texas, on May 24, 2022. Nineteen innocent children and two dedicated teachers were senselessly and ruthlessly killed in an act of unimaginable violence. Our hearts break for their families and friends who continue to endure an unthinkable pain and loss.

These children were full of dreams, laughter, and the promise of bright futures. Their lives, though cut short, left an indelible mark on the hearts of their loved ones and the community. The teachers were devoted to nurturing and educating the young minds in their care, and their loss continues to leave a profound void.

We honor the memory of each victim, cherishing the joy and light they brought into the world. In this time of profound sorrow, we stand in solidarity with the Uvalde community, offering our deepest condolences and unwavering support.

In the face of such tragedy, it is crucial that we come together, not only to mourn, but to support one another and seek ways to prevent such senseless acts in the future. Let us remember each of the lives lost, and may their memories forever live in our hearts. Let us find strength in unity, and honor their loss by pursuing a safer and more compassionate nation.

Our thoughts and prayers are with the families, friends, and all those affected by this devastating event.
